Rules for HOA Dumpster Usage

The HOA has a dumpster available for homeowner use, which is located in the Club Maintenance Yard near the East Gate entrance. Because of increased and improper usage, the Board has proposed adding the below rules:

1. **No vendor usage or vendor-generated landscape waste**
2. **No construction debris**
3. **No furniture, mattresses, or appliances**
4. **No oil, paint, or toxic substances**
5. **All boxes must be broken down**
6. **Do not overfill dumpster**
7. **Do not leave items outside dumpster**
8. **Violation(s) could result in Homeowner paying for dumpster to be emptied**

Please see the Summit County Website link for the location and fee schedule for disposal of larger and the above-mentioned items that are not allowed in the HOA dumpster:
