

GLENWILD CROSS-COUNTRY SKI & WALKING TRAILS

BEGINNER TRAIL 1.6 km

Start on the Spruce Alley trail at the 16 tee, switch to Lupine Way at 16 green, then back to Spruce Alley at 16 green, finishing at the Clubhouse.

ELK RUN Walking Trail

Our walking trail stretches throughout most of the golf course. We ask our walkers and snowshoers to take this designated walking trail.

SLEDDING HILL

Access via Elk Run. The Hill is near Phone Booth on 8 tee.

SPRUCE ALLEY 1.7 km

Starting outside the golf shop, this trail travels down hole 16, climbs 17 tee, then offers a long downhill through holes 13 and 12 before finishing at 16 green.

LUPINE WAY 2.4 km

Starting south of the clubhouse on 16 green, this moderate trail covers holes 15, 14, 18, and 10 with a gradual hill back to the clubhouse at the end. Transfer to the Spruce Alley Trail near 18 green for an easier flatter finish.

SHOTMAKER TRAIL 2.7 km

This moderate-difficult loop begins on the north side of the club at 1 tee, traverses to the Driving Range for a series of switchbacks, before finishing back on 2 green.

SUPERINTENDENT'S REVENGE 5.3 km

Our longest and most challenging trail. Northeast of the clubhouse at hole 3 and get ready to cover a majority of the front 9. A few long hills and climb back to the clubhouse will challenge experienced skaters.
