

# Construction Gatehouse Directions

**Contractors, subs, vendors, and delivery trucks must utilize the Construction Gatehouse for all ingress & egress.** This practice greatly alleviates potential delays from traffic at our Main Gatehouse. Vehicles presenting at the Main Gatehouse will be turned around and provided directions to the Construction Gatehouse. To help vehicles arrive at the Construction Gatehouse on their first stop, please follow these directions.

**GPS:** When using GPS, contractors must input the Construction Gatehouse address as the **FIRST STOP**, and the resident address as the **SECOND STOP**. **Be advised:** All resident addresses will guide drivers to the Main Gatehouse. **Construction Gatehouse address below.**

**1<sup>st</sup> GPS Address:**

**Construction Gatehouse**  
8435 Glenwild Drive  
Park City Utah 84098  
Phone: 435-666-0794

**Directions (Kimball Junction):**

Follow West bound on Bitner Road (frontage road) to Bitner Ranch Road (2.5 miles). You will see a Glenwild "East Gate" Sign on your right, TURN LEFT onto Glenwild Drive. On your left is the Construction Gatehouse. If you do not have a transponder, please check-in with our Gate Attendant.

**2<sup>nd</sup> GPS Address:**

Resident address

**Indicaciones (Kimball Junction):**

Siga hacia el oeste por Bitner Road (camino principal) hasta Bitner Ranch Road (2,5 millas). Verá un letrero de Glenwild "East Gate" a su derecha, GIRE A LA IZQUIERDA en Glenwild Drive. A su izquierda está la Puerta de Construcción. Si no tiene un transpondedor, regístrese con nuestro asistente de puerta.
